Permission/Authorization to treat a Minor, Liability, Accidental Injury & Photo Release

I, _____, (parent/guardian), hereby grant permission for _____ (child's name) to participate in Mandarin Baptist Church of Los Angeles's (hereafter MBCLA) Children's Ministry activities. I understand that children participating in MBCLA will be under the supervision of and responsible in conduct to MBCLA leaders at all times. I understand that the name(s) listed for "Authorization for Pick Up" has permission to pick up my child.

In the event that I cannot be reached in a medical emergency, I hereby authorize agents of MBCLA to obtain medical treatment for this child, which includes first aid, hospitalization, and other necessary procedures, while participating in church sponsored activities, regardless of whether said activities take place on church premises.

I agree not to hold MBCLA, its employees, agents or volunteers liable for damages, losses, injuries, or death to the person or property of the child or the undersigned. The parents or guardians understand that they are also signing for the minor listed on this form and that the signature constitutes both a medical authorization and a liability release.

I realize that pictures or video may be taken at MBCLA during events, activities, and classes for fun memories and/or future promotional purposes. I understand that my child is not required to have his/her picture taken. I waive the right to see or approve any publications that contain photographs of my child. I release MBCLA and its representatives from responsibility for any harm or invasion of privacy that may occur or be produced by taking photographs or video of my child.

I hereby give MBCLA and its representatives permission for my child to be photographed and to use photographs or video that include my child in any and all media products for promotion, art, advertising editorial, or other purposes. This may include but is not limited to newsletters, both print and email, posters, brochures, ads, post cards and web pages.
